ACRYLIC BATHTUBS

Configurations

Without whirlpool

Hydroline: the invisible whirlpool.

Hydroline is the first patented system where the classic nozzles have been replaced by minimalist slits which ensure the continuity of the material. An elegant styling idea which retains all the efficiency of the best whirlpool on the market.

DURALIGHT® BATHTUBS

OUTLINE - PAPER Configurations

Without whirlpool

Duralight® panels (from 1 to 4)
integrated with the tub

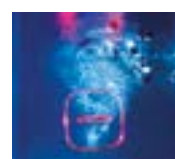

Hydroline - the invisible whirlpool

Removable Duralight® panels (from 1 to 4)

Cromoexperience

With these optionals, the
bathtub panels are always
removable.

Natural wood finish panelling

The wood finish panelling is always removable.
The panelling is available in the colours featured on page 2 under "Colours and materials"

Lacquered Duralight® panelling - glossy or matt finish

The lacquered Duralight® panelling is available in the colours featured on page 2 under "Colours and Materials",
or in a customised colour simply by specifying the desired RAL or Pantone. See page 33 for the customisation price.

Customisation guide - only for OUTLINE / PAPER bathtubs

The OUTLINE and PAPER bathtubs WITHOUT WHIRLPOOL can be customised within the dimensional limits specified in the tables below:

OUTLINE

S21 without whirlpool

S21	internal basin 1574x642	
Dimensions (in mm)	from 1800	to 2000
from 800		
to 1000		

PAPER

T41, T51, T71 without whirlpool

T41	internal basin 1600x560	
Dimensions (in mm)	from 1700	to 1900
from 700		
to 900		

T51	internal basin 1700x620	
Dimensions (in mm)	from 1800	to 2000
from 800		
to 1000		

T71	internal basin 1800x720	
Dimensions (in mm)	from 1900	to 2100
from 900		
to 1100		

The customisation price

The price of the customised bathtub totals:

- the price of the desired model
- Euro 410,00 for customisation
- Euro 190,00 for every side of the modified bathtub (width - length)
- Euro 190,00 for every modified panel

The price of the colour

The lacquered Duralight® panelling - whether glossy or matt finish - is available in the colours featured on page 2 under "Colours and Materials", or in a customised colour simply by specifying the desired RAL or Pantone. Customisation surcharge Euro 410,00

To customise bathtubs with panels covered in wood finish, bathtubs with Cromoexperience and bathtubs with Hydroline, check feasibility with the company.

Guide to customising LIGHT

The dimensions of LIGHT can be customised within the dimensional limits specified below:

Width from 800 to 1000 - Length from 1200 to 1600.

Price of customised products: consider the list price of the size immediately larger than that required and add Euro 810,00

a

BATHTUBS

How to order

- 1 Select a product in accordance with the desired shape and size.
- 2 Select the desired whirlpool version.
- 3 Select the panels and the positioning (standard or turned 180°) if necessary, depending on the installation site, and taking the description of the various models into account.
- 4 By following points 1 to 3, you will have obtained the code for the selected product, alongside which the desired colours of the bathtub and of the visible parts of the whirlpool should be specified.

The visible parts of the whirlpool are available in the same colour as the bathtub and in Chrome. The blower jets of the T07 bathtub are available in Chrome.
The drain column will be the same colour as the visible parts of the whirlpool.
- 5 Select any desired OPTIONALS and specify the colour.

Notes

- All whirlpool baths are fitted with a 'drain column'.
The 'drain column and combined overflow and filler spout' can be selected at the surcharge specified herein.
- Detailed specification notes are provided for each individual item.

b

SHOWERS

How to order

- 1 Select a product in accordance with the desired shape and size.
- 2 Select one of the models available in accordance with the desired functions.
- 3 Select the positioning (right or left-hand model) if necessary, depending on the installation site, and taking the description of the various models into account.
- 4 By following points 1 to 3, you will have obtained the code for the selected product.
- 5 Select one of the tap versions available.
- 6 Select any desired OPTIONALS and specify the colour.

Notes

- The minimum height of the room in which a Teuco steam sauna shower is installed varies in accordance with the sauna version and model selected, and this value should therefore be checked by consulting the pre-installation notes in the technical catalogue.

COMBI UNITS**How to order**

- 1** Select a product in accordance with the desired shape and size.
- 2** Select one of the models available in accordance with the desired functions.
- 3** Select the desired whirlpool version, if any.
- 4** Select the panels and the positioning (standard or turned 180°) if necessary, depending on the installation site, and taking the description of the various models into account.
- 5** By following points 1 to 4, you will have obtained the code for the selected product, alongside which the desired colours of the combi unit and of the visible parts of the whirlpool should be specified.
- 6** Choose the taps.
- 7** The combi unit is always supplied with the bathtub rim profiles.
- 8** Select any desired OPTIONALS and specify the colour.

General terms of sale

1	ORDERS	Product orders will only be binding on TEUCO Guzzini Spa after written acceptance.
2	ORDER CANCELLATIONS	No orders without an acceptance deadline can be cancelled without the explicit written authorisation of TEUCO Guzzini Spa. If not, the latter will have the right to charge the related costs. Unjustified order cancellations are not allowed. Under no circumstances will requests for cancellation be taken into consideration by TEUCO Guzzini Spa, if they arrive less than 15 days before the expected delivery date.
3	TERMS AND PROCEDURES FOR DELIVERY	Even if confirmed by TEUCO Guzzini, product delivery dates shall be deemed to be merely indicative and never binding. Ordered goods shall, nevertheless, be deemed as having been delivered, when they have been handed over to the carrier assigned with the transport, at TEUCO's facility in Montelupone.
4	PRICES	The sale price of each product is specified in the price list, valid at the time the order is made, and must be considered as valid for goods ex works in Montelupone (MC - Italy), unless otherwise agreed. All expenses and additional costs, however, must be added to the list price (including for example: duty and/or taxes relating to sale and transportation), which shall be payable by the purchaser. The installation of the products is excluded in all circumstances and must be performed at the expense and under the responsibility of the purchaser. TEUCO Guzzini Spa reserves the right to modify its price lists, quotes and discounts without needing to give prior notice thereof.
5	PAYMENT	<p>Unless otherwise approved and specified in writing by TEUCO Guzzini Spa, the terms of payment are:</p> <p>a) for sales within Italy: 30 days after the invoice date, when a credit agreement exists; otherwise: cash on delivery;</p> <p>b) for sales outside Italy: irrevocable letter of credit, confirmed by one of the main Italian banking institutions.</p> <p>The failure to pay (even part of) the sum due in accordance with the agreed terms, or even one instalment of a sum spread over a period of time, shall lead to the cancellation of any advantage for subsequent instalments and TEUCO Guzzini Spa shall, therefore, be entitled to request immediate and total payment of the entire residual sum owed to it by the purchaser.</p> <p>All the products supplied remain the property of TEUCO Guzzini Spa until full payment has been made.</p>
6	PACKAGING	The list price of all products includes packaging, if envisaged, for overland road transport. If goods sent by train and/or ship require special packaging, this will mean an additional cost of 5% of the net supply order total.
7	TRANSPORTATION	Once the goods have been delivered by being handed over to the carrier, they travel at the risk and under the responsibility of the purchaser, even if TEUCO Guzzini Spa has agreed to pay the transport costs.
8	LIABILITY	The liability assumed by TEUCO Guzzini Spa for any damage resulting from faulty products is defined by current legislation.
	IMPORTANT WARNING	The product must be installed, as it is supplied by Teuco, following the instructions and advice provided in the technical catalogue. TEUCO provides no guarantee for damage to the product following incorrect installation.
